MILITARY RULE: REFORM SCHOOL

Colonel Harris Has New Plan for Organizing Two Companies of Militia of Institution; Boys as Officers

TUCSON, Oct. 1.—That the state reform school at Fort Grant would be reorganized in the near future into a military school was the statement made in Tucson by Col. Charles W. Harris, state adjutant general who was in the city to select a site for the new armory building.

So convinced has Col. Harris become of the benefits to be gained from putting the school under a system of military training, that he sees nothing but great gains in the institution of such a regime in the recently transferred school at Fort Grant.

Under the new scheme the boys will have a regular course of military drill and tactics such as is given in the leading military schools of the country. They will have a regular drill for rising with the bugle in the morning, and they will have a regular military uniform. There will be a number of commissioned officers selected from among the boys, and to these youths the colonel looks for the greatest help in working out the new experiment.

The plan has been tried with great success in the east, and educators interested in the reform of young boys sentenced to such schools are unanimously in its favor. There appears to be no good reason why it should not prove of much value in reforming boys in Arizona, as it has done elsewhere. The plan was worked out by Governor Hunt and Colonel Harris, and it will be applied to the school as soon as possible.

There will probably be two military companies in the school. There are about a hundred boys at present, and this will make two good companies. At first they will be given foot exercises and the simpler drills but later they will be given the complete training. Real guns will not be given them right at the start, but they will get these later.

LOVE AFFAIR CAUSES DEATH OF GIRL'S FATHER

SNOWFLAKE, Oct. 1.—(Special.)—Jose Martinez was shot and killed at Silver creek early Sunday morning by Ygnacio Bagan of that place.

Senor Bagan says Martinez was employed by him last winter as a sheep herder at Phoenix and came with him in that capacity to Silver Creek last spring where Martinez commenced paying attention to Senor Bagan's eldest daughter and not long ago proposed marriage to her which did not meet with the young lady's favor or that of her parents, but notwithstanding Martinez persisted and finally threatened to force the young lady to marry him. That a dance was arranged for at the town hall last Saturday night by Martinez but that the Bagan did not attend because Miss Bagan did not care to meet Martinez and as a result the dance failed on account of few attending. That about midnight Martinez called at the Bagan home and demanded to see Miss Bagan to renew his demand of marriage but was ordered away by Senor Bagan only to return about two hours later with an ax which he commenced to knock in the door with threatening at the same time that he would exterminate the whole Bagan family unless Miss Bagan accepted him at once in marriage and that he was shot by Senor Bagan while breaking in the door.

Mr. Bagan's preliminary trial was held Thursday in Justice Wakefield's court at Taylor and he was bound over to the grand jury under a \$1,000 bond.

PROHIBIT LIQUOR SALE

Chief of Police of Douglas Will No Longer Allow Sale of "2 Per Cent" Beer in "Redlight" District.

DOUGLAS, Oct. 2.—No more "two per cent" on any other kind of "per cent" on 4th street from today forward. This is the order of Chief Kagan, and every denizen of the district has been notified. It has long been the custom to allow the keepers of dives on this street to sell "barrett," a sort of beer containing but two per cent alcohol, and many of the places have taken advantage of this privilege and sold the genuine article; in fact, they have been suspected of selling "whiskey," and this has led to the order that from October 1 any person on the street selling even two per cent will be arrested and hauled before the police court and prosecuted for the illegal sale of liquor, and stand a good chance of losing the "license" of conducting a place on the street.

ATTENTION MOOSE!

All members are requested to report at Moose Hall Thursday, Oct. 2 at 10 o'clock P. M. to discuss an important matter. A day long session will be held at 10 o'clock P. M. on Oct. 2. J. H. HARRIS, Dictator.

VICE-PRESIDENT WILL VISIT FRIENDS IN VICINITY OF PHOENIX

This Is First Visit as Second Man of Nation; Always Spent Winters There While First Man of Indiana

PHOENIX, Oct. 1.—Vice President Thomas R. Marshall will arrive in the valley the last of the week or the first of next for a seven weeks' visit providing the United States senate adjourns next week.

A letter conveying this news has been received by E. L. Graves from Mr. and Mrs. W. E. Kinsey, parents of Mrs. Marshall. Mr. and Mrs. Kinsey are now at their former home in Pleasant Lake, Ind., and expect to start for their Scottsdale residence the first of the month.

In their communication to Mr. Graves they state that the vice president and wife will join them in Phoenix if the senate adjourns in time, and that they will remain in the valley as their guests until the last week in November.

Mr. and Mrs. Marshall have made many friends through their annual trips to Phoenix and vicinity. They usually spend crucially the entire winter in this section. As second man of the nation Mr. Marshall has never been in Phoenix. However, he was here last winter after he had been elected to the vice presidency and just a short time before his inauguration. He was here every winter while governor of Indiana.

ONE DAY REST ASSURED

NEW YORK, Oct. 1.—The new state law passed by the legislature at its last regular session and which requires all employers to give to their employees one day of rest each week, went into effect today. Many big concerns and corporations, which had heretofore kept many of their employees at work seven days in the week, anticipated the going into effect of the law and made such changes as were necessary to give every one of their workmen and other employees one free day a week without interfering with the continuance of the work on Sunday. The street railway lines, the hotels and restaurants, cigar dealers etc., were in most cases compelled to engage additional help to make it possible to obey the law without interfering with Sunday work.

PENSIONS TO CONFEDERATES

JEFFERSON CITY, Mo., Oct. 1.—The payment of pensions to Confederate veterans under the law passed by the legislature of Missouri last winter was begun today by State Auditor Gordon. Thirty thousand dollars have been appropriated and of the 1100 applications for pensions only 139 have been approved.

CANANEA OFFICIALS CHARGED WITH GRAFT

Accused of Permitting Gambling to Continue in Violation of the Laws.

CANANEA, Sonora, Oct. 1.—Esteban Martinez, ex-sindico of Cananea, was arrested recently and is at present confined in the city jail charged with being implicated with C. N. Durazo, ex-mayor with malfeasance in office. Durazo is now on the American side of the international boundary line. Ex-chief of police Domingo J. Lopez is also locked up on a similar charge. It is said that the ex-officials have been collecting money from Chinese gamblers and operators of opium joints, and permitting them to operate in direct violation of the laws governing same.

Basilio M. Gonzalez, a former alderman, also charged with a similar offense.

YUMA WANTS GOOD ROADS

Carries Vote in County for Issue; Is the First County to Take Up Matter and Holds Successful Election

YUMA, Oct. 1.—Yuma county has voted \$500,000 worth of road bonds. Seven precincts, all of the large ones, have been heard from, and the vote is 351 to 81.

Yuma is the first county in the state to take action for road building. Following are the returns received up to this time:

Precinct	For	Against
Yuma No. 1	55	7
Yuma No. 2	228	19
Crane	225	18
Somerton	52	25
Laguna	71	9
Wellton	19	6
Parker	16	3

An offer of par has already been received for the entire issue of bonds, which run twenty-five years and bear interest at five per cent. The money should be available in two or three months.

A comprehensive plan for the improvement of Yuma county's highways has already been prepared, one of the plans being to build a line of road to the Maricopa county line to connect with a proposed state highway.

fence as the afore mentioned, succeeded in making his getaway across the line and escaping a like fate.

Martinez is one of the men who recently issued a public letter, in dodger form, attacking the American consul here, Charles L. Montague. Venustiano Carranza, chief in the constitutional movement, now in Hermosillo, the Sonora state capital, has signified his intention to visit Cananea at an early date. Arrangements are now being made for his entertainment.

Eight hundred Mayo Indians, armed with bows and arrows, have joined the state troops recently at Maytonera, the present encampment headquarters. The Indians volunteered their services. They are at present being armed with rifles and ammunition, but as there is a very meagre supply of firearms had by the state, an effort is at present being made to obtain them from civilians. A recent decree issued by the governor was to the effect that all having arms and ammunition in their possession were to surrender them to the proper officials. This order was interpreted by some Mexicans, but the governor, in a recent statement, declared that foreigners will not be molested and added that all foreigners who had arms in their possession would confer a favor to the state by selling them to it. There have been a number of foreigners exchanging rifles for quivers, bows and arrows of the Mayo Indians, desiring same for souvenirs.

This week authorities in Cananea began gathering up arms from civilians. In some instances, it is said, arms were confiscated after a search of the premises, but in most instances the people are giving them up without an effort to evade the decree. A number of recruiting parties have been sent to various portions of the state for the purpose of securing recruits for the state army in order to increase the number of men in the field before the fall campaign. Capt. Galvez and 20 men left Cananea today for the Sonora River villages for that purpose.

INVITED GOVERNOR HUNT TO OPEN FAIR

PRESCOTT, Oct. 1.—From present indications Governor W. P. Hunt will officially open the initial fair of the Northern Arizona Fair Association on October 27th. Recently President R. N. Fredericks and Secretary Malcolm A. Fraser wrote the state executive a letter extending a cordial invitation with that end in view. The governor's letter in reply is as follows:

Mr. R. N. Fredericks, Pres., Mr. M. A. Fraser, Sec'y, Northern Arizona Fair Association. Gentlemen:—I desire to express my appreciation of the courteous invitation which you extended me in behalf of the Northern Arizona Fair association through your letter of the 15th inst., which has just been received.

I regard the fair to be held in Prescott under the name of the First Northern Arizona Fair as a very important gathering, which, by being perpetuated from year to year, should result in a great benefit to our state. As the date mentioned, Monday, October 27th is rather remote, it is somewhat difficult for me to give definite assurance as to whether or not I can be present, but I can assure you that I intend to accept your invitation and be in Prescott for the opening of the fair, and will not change my plans unless something of an unusual importance that I do not wish to forego comes upon me to prevent my attendance. If I am present at the fair, as I hope to be, I will, of course, gladly participate in the festivities of the opening day as you have suggested.

Very sincerely yours, GEORGE W. P. HUNT, Governor of Arizona.

WOMAN FEELS 10 YEARS YOUNGER

Since Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Louisville, Ky.—"I take great pleasure in writing to inform you of what Lydia E. Pinkham's Vegetable Compound has done for me. I was weak, nervous, and tired for nothing but sleep. Now I can go ahead with my work daily and feel ten years younger than before I started taking your medicine. I will advise any woman to consult with you before going to a doctor."—Mrs. INEZ WILSON, 229 Bank St., Louisville, Ky.

Another Sufferer Relieved.

Romayor, Texas.—"I suffered terribly with a displacement and bladder trouble. I was in misery all the time and could not walk any distance. I thought I never could be cured, but my mother advised me to try Lydia E. Pinkham's Vegetable Compound and I did. I am cured of the displacement and the bladder trouble is relieved. I think the Compound is the finest medicine on earth for suffering women."—Mrs. VIOLA JASPER, Romayor, Texas.

If you want special advice write to Lydia E. Pinkham, Medicine Co., confidential, Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

DID HUNT PROMISE WREN JOB ON HILL?

Governor Had His Fingers Crossed When He Assured Solon He Would Be Given a Fat Berth

PRESCOTT, Oct. 1.—Governor Hunt "passes the buck" to Judge P. S. Wren of Constellation, in regard to the subject of who is to be the superintendent of the Pioneer's Home in this city and gladiator like buckles his armor and is ready for the fray. The letter reproduced below verbatim settles the matter as far as the gubernatorial appointing power is to be considered and was written to allay rumors of a chance being under consideration, and it is believed to muzzle the member of the lower house of the legislature from this county, who had informed many friends that he was to get hold of the reins of this institution on the hill when the executive time ball dropped in the very near future. Here is what the governor says over his own signature during this month:

"Dear Mr. Acker: In answer to your letter of the 6th inst., making inquiry as to the foundation for the statements contained in the news item printed by the Journal-Miner relative to the superintendent of the Pioneer's Home, I readily give you a brief statement of the facts pertaining to this position as they have come to my knowledge.

"As you will recall there were some complaints concerning the management of the institution early last winter, the result of which was an investigation by the board of control during which the character of the criticisms was carefully inquired into. At that time, very naturally, there were many rumors current predicting a change in the superintendent. The Hon. P. S. Wren made his application for appointment, but at the time that he did so, would have been precluded from accepting the position even had it been tendered him by the fact that the law required the superintendent to have been a resident of Arizona for 25 years and to be over 60 years of age.

"During the sessions of the state legislature held this year Mr. Wren used his influence in behalf of a bill which I favored removing the age restriction formerly imposed on the superintendent of the Pioneer's Home.

"I believe that the foregoing makes clear the status of the controversy concerning the superintendency, if not I will very gladly give you any additional information desired.

"With kind regards, Yours sincerely, "GEO. W. P. HUNT, Governor of Arizona."

Mr. J. S. Acker, Prescott, Arizona.

OKLAHOMA MAIDEN EVADING SUITORS

PHOENIX, Oct. 1.—To get far away from many suitors and Oklahoma oil promoters, Ella Jones, a fourteen year old Creek Indian girl, who has a monthly income of \$5000,

has been brought to the Phoenix Indian school.

Miss Jones arrived in the city about three weeks ago, accompanied by her guardian. Her parents are dead. She is an attractive girl and unusually bright.

The child was left a big estate consisting principally of valuable oil fields in Oklahoma. Her \$5000 monthly income is from her oil holdings alone.

Shortly after the child's parents died, the suitors and promoters got busy and used many schemes to wrest the property from the young girl.

Even if she is very young, many men far up in years have made proposals of marriage. It was principally on account of this that the child was hastened to the local school.

COMMITTEE ADJOURNS

WASHINGTON, Oct. 1.—After examining witness brought in support of the charge against Representative Richard S. Whaley of First South Carolina district that he spent large sums unlawfully to obtain his nomination, the house election committee decided late today to adjourn until December. It is said at the capitol this will mean that the committee will make no further inquiry or take action on the charges filed originally with Speaker Clark by Mayor John P. Grace of Charleston.

PARDON WAS REFUSED

BOISE, Idaho, Oct. 1.—As a result of a storm of protests from all over the state, there will be no pardon for Harry Orchard, the confessed slayer of Ex-Governor Frank Steunhagen, asked for by the Metropolitan Church association of Walmshaw, Wis., when the state board of pardons met today. Notice has been published, as required by law, that pardon be sought, but on account of the protests Orchard, it is understood, insisted that the petition be denied.

NEW YORK FLOOD

Rainstorm with Cloudburst Proportions Plays Havoc in Metropolitan City—Several Killed

NEW YORK, Oct. 1.—A rain storm which reached almost to cloudburst proportions descended on New York, establishing record for precipitation of flooded streets, tied up the subway, hampered the surface and elevated traffic in the city and suburbs for several hours and caused property loss scarcely to be estimated tonight. Two were killed and several injured. Four men were buried in a sewer cave-in, but were rescued. Lightning played above the city and struck an elevated train and several buildings, setting fires which the deluge extinguished. Incoming trains from all directions are delayed as cars and tunnels resembled rivers within canyons.

GAMBLING NEGROES GET JAIL SENTENCE

CLIFTON, Oct. 1.—Eugene and Otto Williams, negroes, were not given the option of a fine when brought before Judge William F. Cooper for sentence. Each was given 30 days in jail. They are operators of the Elite Comopolitan club, Pennington and Meyer streets. The sentence imposed is for a former offense of selling liquor without a license. It was suspended in March during good behavior for five years.

Judge Cooper heard evidence last week that they had been running a joint again.
